to be made at Auction by Messars, the O'sket.

JONES, at the Merchants' Exchange, on the 27th February, at 12; o'clock.

The Bonds are secured by a Mortgage to Trustees, viz: Joseph B. Varnum and Edward Whitehouse, of this City, and the Hon. Albert S. White of Indiana, forming the first and only line upon the entire road and all its equipments, fixtures and appurtenances. The Issue of the Bonds under this mortgage is limited to the sum of \$350,000, which is to be appropriated to the purchase and transportation of the line in talls, chairs and spikes, the grading of the whole line (62 miles) and the fulcing of the road bed with wooden superstructure complete, the hadding the laying of the track, having been provided for by stock subscriptions, amounting in the aggregate to \$252,540.

Further subscriptions of stock to a considerable amount have been tendered, including \$100,300 by the city of Las Fayette (the latter only awaiting the required legislative sanction), which will be fully adequate to cravite the necessary equipments, and meet all possible contingencies. The Company, when its work is completed, will be emitrely free from a floating delst while the cost of the Road will be more than double the amount of its small funded delst.

The La Fayette and Indianapolis Rallroad is an integral

pleted, fully equipped, and in operation throughout its entire length.

The bonds are convertible into the stock of the Company at par, at the option of the bolder at any time within five years from the date of their issue. As the Road will be one of the most cheaply constructed in the country it is believed, as it passes through the finest agricultural district of the West, and forms a fink in the direct line of Reignond communication between Cincinnati and Chicago, that it must prove very remunerative to the Stockholder.

Arrangements have been made for an carry delivery of the rails, which ensures the completion of the Road in season to secure the business of the country Autumn.

Payment will be required for the Bonds, as follows: 10 per cent on the day of purchaser. The accused interest on Bonds to be added to date of payment.

Exhibits showing more fully the merits of the Road can be obtained, and copies of the Bonds and Mortgage, and of the personal guarantee of the Interest payments, can be seen, on application to CAMMANN 4 WHITEHOUSE, 26f 4t 20,22,25,27th.
